

TYPICAL SCHEDULE

- Saturday** Arrive at the church, set up, and meet with the Pastor if possible.
- Sunday** Participation in both morning and evening services.
The noon meal will probably be the big meal of the day. The afternoon needs to be a bit of rest time if possible.
- Monday** Normally we take forty plus meetings a year. Saturday is our travel day and provides very little rest, and Sunday is a very taxing day. Therefore, we suggest that any responsibilities for Monday be as light as possible. This is the day we try to set aside as a family day.
- Tuesday - Friday** We would like to make ourselves available for service. We'll be ready for counseling with students, soul-winning with the pastor, or other activities that benefit the church and the meeting. If you could let us know a day in advance of our visitation time, it would be very helpful. Brother Harper tries to use the mornings for study time and Kimberly will be busy home schooling Charity during the day so all of her activities (including meals) **must** be in the afternoon. (If possible after 2:00)
- Christian School** Brother Harper enjoys the opportunity to preach in Christian Schools. Please feel free to schedule one chapel per day (including Monday).
